
Leave of/Return from Absence (GSIS)

◆ Leave of Absence (Article 7 of KU GSIS Bylaws & Regulations)

※ KU GSIS students are able to take off maximum of 2 consecutive semesters at a time and the total numbers of leave of absence cannot exceed 3 semesters.

※ The period of 'Leave of Absence' is included in the term of years for 'thesis submission'.

International students can apply for leave of absence. However, applying for leave of absence means invalidating their student visa (D-2). According to the 「Korean immigration law」, students taking a leave of absence **must** leave Korea within 15 days of the date in which their leave of absence is officially approved by the GSIS administration office. To prevent any confusion over this issue, students can contact the Global Services Center (GSC) and receive counseling beforehand.

- Alien Registration Card (ARC) is valid ONLY when the student is registered at the university and is physically in Korea. If he/she does not register for the upcoming semester, his/her ARC along with his/her student visa (D-2) will expire automatically.

- How to Apply: **Register online on the Portal (KUPID)** (<http://portal.korea.ac.kr>)

◆ Returning to the University / Reinstatement

International students must obtain a new student visa (D-2) and Alien Registration Card (ARC) to resume their study at KU. International students could apply for absence/return on the portal KUPID (submission can be made from January/July). Once the reinstatement is approved by the GSIS administration office, the office will contact the student via Email for their Certificate of Admission (CoA), which is needed for student visa (D-2) application. After the Certificate of Admission (CoA) is issued, students may apply for their visa.

It takes around 2 weeks~1 month for the reinstatement to be accepted and the Certificate of Admission (CoA) to be issued. The other required documents for student visa (D-2) may also take a long time to be issued. Therefore, returning students should contact the Korean embassy or consulate in their home country in advance to find out and prepare for the other documents needed for the visa application well ahead of time. Please be reminded that it is the students' responsibility to obtain a student visa before the semester begins.

※ If you don't register for 'Return from Absence' after the approved period expired, you will be **expulsed**.
