# I. Preparation Before Semester Begins

## 1. Student Visa (D-2)

Following the immigration law in Korea, all international students at KU must obtain a student visa (D-2) before the semester begins. Student visa (D-2) is to be acquired at the Korean embassy/consulate in the student's home country prior to entering Korea. A number of documents are required for the D-2 visa application, and among them, some documents take a long time to be issued. Hence, students are advised to prepare the requirements in advance to get the visa on time. It is **students'** responsibility to obtain a student visa (D-2) before the semester begins.

For students who already have a student visa (D-2) issued using the Certificate of Admission (CoA) from another university for the same degree program at KU, they may be required to make a departure and apply for a new student visa (D-2) issued with the CoA from KU at a Korean embassy/consulate in his/her home country.

Group tourism visa (C-3-2), medical tourism visa (C-3-3), or general tourism visa (C-3-9) CANNOT be changed to a student visa (D-2) in Korea. Students entering Korea with such types of visa must make a departure as soon as possible and obtain a student visa (D-2) at the Korean embassy or consulate in their home countries.

*\* Students with A, E, or F-type visa do not need to apply for a student visa(D-2).*

If Associate (D-2-1), Undergraduate (D-2-2), or any incorrect type of visa is issued, the student must notify the Korean embassy immediately and correct the visa type to an appropriate one.

## 2. Alien Registration Card (ARC)

Alien Registration Card (ARC) is a personal identification card for foreigners, allowing them to stay in Korea legally. Once the international students arrive in Korea with a student visa (D-2), they must apply for an Alien Registration Card (ARC) at Sejongno Immigration Office by the time the semester starts.

All international students at KU must go to **Sejongno Immigration Office** for visa and immigration affairs regardless of their place of residency. Immigration office is assigned by the student's home institution, not by their place of residency.

## II. ARC Extension

### 1. Extension of Stay in Korea

One of the responsibilities held by all international students is to keep their Alien Registration Card (ARC) always valid, since the termination of ARC also means an expiration of one's student visa (D-2). The duration of stay approved by the immigration office is written on the back of one's ARC.

One can apply for **Alien Registration Card (ARC) extension** starting from 4 months prior to its expiry date. Students can either visit Sejongno Immigration Office in person, or visit HiKorea (hikorea.go.kr) and complete the application online.

The immigration office becomes much busier as the beginning of the semester approaches. The reservation slots for the visit to the immigration office might unexpectedly get full. Even the online extension can take a long time. For this reason, it is recommended that you apply for extension well ahead of time.

In order to keep one's ARC valid, aside from applying for extension when applicable, all international students must **register at Korea University every semester during the Regular Payment Period** (including Completed-Research Students) before the start of a new semester. They should NOT register after the semester begins. Otherwise, their Alien Registration Card (ARC) will be terminated regardless of its expiry date.

## 2. Valid Period of Stay in Korea for Student Visa (D-2) Holders

### ◦ Terms for Studentship and Student Visa (D-2)

#### a) Duration of Coursework

- General period of study set for the completion of courses (may vary by major)
- Students can graduate within the duration of coursework by completing all the requirements for completion and degree dissertation (thesis) for graduation, if possible

#### b) Length of Studentship

- Maximum length of study for graduation set by KU

#### c) Maximum Valid Period of Student Visa (D-2)

- Maximum period in which one can possess his/her student visa (D-2) and extend his/her ARC, set by the Immigration Office.

Master's Course: Allowed within 3 years after completion of the scheduled academic calendar based on the time of admission → Masters: Maximum of 5 years after admission

PhD Course: Allowed within 5 years after completion of the scheduled academic calendar based on the time of admission → Ph.D: Maximum of 8 years after admission

### ◦ Maximum Valid Period of Stay allowed for international students in Korea

International graduate students with a student visa (D-2) MUST finish their studies within the **maximum valid period of student visa (D-2)** set by the immigration office. Since all international students are under the restriction of the **immigration law** of Korea, they must finish their academic program within the period arranged by the immigration office, regardless of the length of studentship set by Korea University.

Usually, international graduate students are granted 2 years of valid period of stay (vary by individual) at the first time of their visa application. One's valid period of stay is written on the back of their Alien Registration Card (ARC). Students can extend the duration of their stay (ARC) starting from 4 months prior to their ARC expiry date. However, extension will be allowed only within the valid period of student visa (D-2). It is **not** possible to extend one's ARC after the allowed period; hence, the student visa (D-2) will be terminated automatically.

### III. Int'l Students' Obligation of Reporting Changes

All international students are obligated to report changes/updates in their personal information to the immigration office in Korea. Neglecting such duties may lead to an unexpected disadvantage in regard to one's stay and status in Korea. The change(s) must be reported within 14 days from the date on which the change occurred. One can report these changes either by visiting the immigration office in person or by going online at hikorea.go.kr, if possible.

#### 1. Personal Details That Must Be Reported

- Passport Information:
  - Name, sex, nationality, date of birth, passport number, and expiry date (newly-extended)
- Alien Registration Information:
  - Address (place of residency)
- Others:
  - Lost ARC (apply for re-issuance of ARC by visiting the immigration office *in person*)

#### 2. Reporting Period

- Within 14 days from the date of occurrence

#### 3. Required Documents

- Passport & Alien Registration Card (ARC)
- Application form
- Additional documents that serve as proof that the change(s) occurred

#### 4. Reminder

If the above changes occur after making a departure from Korea / while temporarily staying abroad, report them to Sejongno Immigration Office within 14 days of your arrival in Korea.

#### 5. Change in Place of Residency

Changes in the address (place of residency) must be reported within 14 days of the date of occurrence. Unlike the other information listed above, address change(s) can be reported at the nearest community service center (Dong or Gu Office) or Sejongno Immigration Office (available online as well). After the designated period, it can be reported only at the immigration office and a fine will be imposed.

- Required Documents – Proof of Residency
  - Living on-campus: 'Confirmation of Residence/Accommodation' from CJ I-House office with signature and a dormitory payment receipt
  - Living off-campus: A copy of the rental contract
    - \* If the contract is not under the applicant's name, please submit:
      - A copy of the accommodation provider's ID card
      - 'Confirmation of Residence/Accommodation'

## IV. Leave of Absence and Returning

### 1. Leave of Absence:

International students can apply for leave of absence. However, applying for leave of absence means invalidating their student visa (D-2). Students taking a leave of absence **must** leave Korea within 15 days of the date in which their leave of absence is officially approved by the affiliated department office. To prevent any confusion over this issue, students can contact the GSIS administration office or Global Services Center (GSC) and receive counseling beforehand.

- *Alien Registration Card (ARC) is valid **ONLY** when the student is registered at the university and is **physically** in Korea. If he/she does not register for the upcoming semester, his/her ARC along with his/her student visa (D-2) will expire automatically.*
- *How to Apply: **Register online on the Portal (KUPID)***

### 2. Returning to the University / Reinstatement:

International students must obtain a new student visa (D-2) and Alien Registration Card (ARC) to resume their study at KU. International students could apply for absence/return on the portal KUPID (submission can be made from January /July). Once the reinstatement is approved by the GSIS administration office (Academic Advisor), the GSIS office will contact the student via Email for their Certificate of Admission (CoA), which is needed for student visa (D-2) application. After the Certificate of Admission (CoA) is issued, students may apply for their visa.

It takes around 2 weeks~1 month for the reinstatement to be accepted and the Certificate of Admission (CoA) to be issued. The other required documents for student visa (D-2) may also take a long time to be issued. Therefore, returning students should contact the Korean embassy or consulate in their home country in advance to find out and prepare for the other documents needed for the visa application well ahead of time. Please be reminded that it is the students' responsibility to obtain a student visa (D-2) before the semester begins.

- *How to Apply: **Register online on the Portal (KUPID)***

## V. Int'l Student Studying Abroad

From the immigration office's perspective, participation in an exchange or a dual degree program (outbound) is considered as temporary discontinuation of study in Korea. It is because the student will not be physically residing in Korea nor physically attending KU while participating in such outbound programs.

Participation in study abroad programs (outbound) will be reported to the immigration office since students have to leave Korea for these programs. Then, their student visa (D-2) will be terminated automatically regardless of the valid period of stay written on the back of their Alien Registration Card (ARC). Students must apply for a new student visa (D-2) after their study abroad program is finished, to resume their study in Korea at Korea University. It is recommended that international students consult with the GSIS office or Global Services Center (GSC) in advance, before applying to participate in such outbound programs.

#### Departure

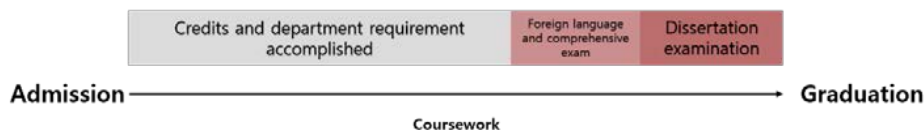

- When the **student status\*** changes, ARC will be terminated automatically regardless of the expiry date written on the back of it. Hence, the student must make a departure out of Korea within 15 days of the date the student status changes
- **\*Student status** that leads to termination of D-2 visa:  
→ Leave of Absence / Non-Registration / Withdrawal / Expulsion / Graduation / Study Abroad Program (outbound), Exchange, Double-Degree, etc.

#### Arrival (Reinstatement)

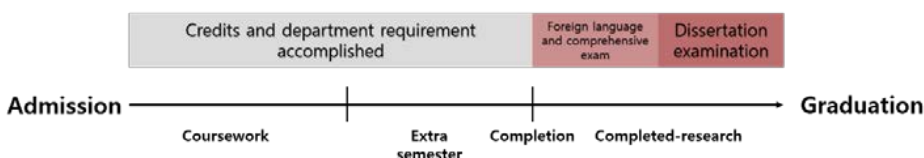

- Application period for reinstatement: 2 months before the start of semester (please refer to GSC's website)
- All international students must apply for a new student visa (D-2) and Alien Registration Card (ARC) when returning to Korea University

## VI. After Allowed Period of Coursework

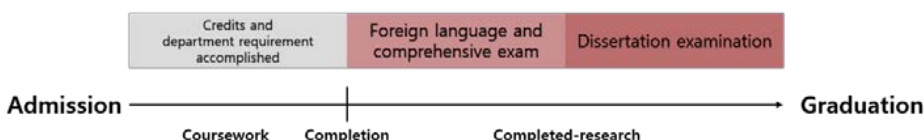

### 1. Graduation within duration of coursework

### 2. Need extra semester(s) for acquiring credits for completion

### 3. Need more semester(s) for comprehensive exam/dissertation for graduation

[Possible change(s) of student status from admission to graduation]

### 1. Student Taking Extra Semester(s)

Generally, graduate students will be given 4 semesters for coursework (8 semesters for MS·Ph.D integrated program). During the set period for completing coursework, students can fulfill all the requirements for their degree and graduate, if it is possible.

However, the assigned duration of coursework may not be enough time for some students in completing his/her study. In this case, they may need to take extra semester(s) (초과학기) to acquire credits and requirements requested by the affiliated department for completion (not graduation).

Students taking extra semester(s) will need to apply for Alien Registration Card (ARC) extension. It can be completed either by visiting Sejongno Immigration Office in person or applying online (hikorea.go.kr), starting from 4 months prior to the expiry date written on the back of one's ARC. The extension requires a number of documents, one of them being the 'Explanatory Statement for Extra Semester(s).' Students must ask their department office to fill in the necessary field. After the approval of the student's academic advisor, the applicant must bring the signed form to GSC for confirmation/signature before being able to submit it to the immigration office.

### 2. Completed-Research Student

A student who has completed their coursework (acquiring credits, etc.), but has not finished writing their thesis for graduation is called a completed-research student (수료연구(재학)).

A completed-research student can also extend their Alien Registration Card (ARC) and stay longer in Korea until he or she graduates, if granted permission. In this case, he/she must submit to the immigration office the 'Confirmation Form for Academic Advisor on Student Thesis Schedule' after receiving confirmation from a GSC staff.

In order to receive a signature from GSC on the 'Confirmation Form for Academic Advisor on Student Thesis Schedule,' students MUST bring the 'Academic Advisor Statement' as well and submit it to GSC. This form is used to verify that he/she will be extending their valid period of stay in Korea for an academic purpose. Again, the GSC staff cannot sign the 'Confirmation Form for Academic Advisor on Student Thesis Schedule' without the student's 'Academic Advisor Statement.'

All international graduate students with a student visa (D-2) should always keep in mind that they must finish their study within the maximum valid period of student visa (D-2) permitted by the immigration office of Korea.

Also, the student visa (D-2) and Alien Registration Card (ARC) will be terminated automatically if the **completed-research student** does not register at KU continuously even for one semester. It is mandatory for all international students to register during the **Regular Payment Period** (February/August) before the semester begins.

Moreover, if the completed-research student takes leave of absence, his/her student visa (D-2) will be terminated and not be issued again even after applying to return (reinstatement) to the university, unlike for within-coursework student.

- *Since the GSIS office and Global Services Center reports the student's status of enrollment to the immigration office in early September/March, all international students with a student visa (D-2) are required to register/pay their tuition fee(s) for the semester during the **Regular Payment Period (February/August)** and not after the semester begins. Otherwise, the student visa (D-2) will be terminated automatically.*

## VII. Departure

It is MANDATORY for all international students at KU GSIS to notify GSIS administration office of their departure, if applicable, via email or by visiting in person. The reason for this obligation of reporting departure plan(s) is to advise and notify the students about the potential termination of their student visa (D-2), and provide information related to their situation (leaving Korea permanently /temporarily). If the student makes a departure without receiving any consultation with GSIS administration office or GSC, unexpected disadvantage(s) in acquiring visa or maintaining visa status can occur when coming back to Korea.

Report of departure for **temporary** stay abroad during summer/winter breaks does not necessarily have to be made. However, if you are uncertain about the exact length of period in which you will be outside of Korea, you must notify GSIS office beforehand. Also, if the planned return date to Korea gets delayed when traveling outside of Korea, please contact GSIS office. Students leaving Korea after the completion of dual-degree program at KU/ for employment abroad/ for participation in a dual-degree or exchange program (outbound)/ after completion of coursework / or for other personal reasons MUST notify GSIS office of their departure. It is mandatory for all international students to notify GSIS office at least one week prior to their departure date.

## VIII. Part-Time Work

By regulation, international students are not allowed to work and earn income while on a student (D-2) visa. It is only possible for international students with a student visa to apply for part-time work if permission is granted by the immigration office. Please keep in mind that it is illegal to work without prior permission from the immigration office and GSIS office. In order to request for approval, students must first prepare the 'Part-Time Work of Foreign Student Confirmation Form' and other supporting documents specified below.

The maximum available working hours differ depending on the applicant's TOPIK level. Graduate students within the general coursework period with TOPIK level 4 and above can work up to 35 hours per week. Students taking English-Track Program (GSIS, etc.) can get the TOPIK 4 requirement waived and receive permission to work up to 35 hours. However, they are required to submit a document that verifies their enrollment in the English-Track Program, from an affiliated department office. TOEFL 530 (CBT 197, iBT 71), IELTS 5.5, CEFR B2, or TEPS 600 is needed additionally (exempted for students from countries where English is the official language).

Those who do not meet the TOPIK 4 requirement can still receive permission to work. However, they will be allowed to work only up to 15 hours per week, 15 including weekdays and weekends (and winter/summer breaks). Please be advised that the above regulations may change over time.

Newly-admitted students in their first semester at KU and students taking extra semester(s) due to an incompleteness of credit requirements set by their major CANNOT apply for part-time work permission. Also, different from students within the general coursework period, completed-research students with TOPIK 4 can receive permission to work up to 30 hours per week including weekdays and weekends (and winter/summer breaks).

### ■ 꼭 알아야 하는 출입국법 · Important Immigration Law for International Students

- ① 대한민국 출입국법에 따라, 고려대학교 외국인 신입생은 유학비자(D-2)를 소지하여야 합니다. 국내 대학에서 학위 취득이 불가능한 어학연수(D-4), 방문(B-1, B-2) 등을 소지한 학생은 반드시 개강 전까지 고려대학교 소속의 유학비자(D-2)를 발급받아야 합니다.

Based on the immigration law in Korea, all international freshmen at Korea University MUST obtain a student visa(D-2) before the semester begins. If the students possess other types of visa like D-4, B-1, and B-2, they must apply for a student visa(D-2) as soon as possible.

- ② 단기방문 비자(C-3)로 입국한 학생은 한국에서 비자변경 신청이 불가능하며, 반드시 출국한 후 본국의 대한민국의 영사관에서 고려대학교 소속의 신규 유학비자(D-2)를 발급받아야 합니다.

C-3 visas CANNOT be changed to a student visa (D-2) in Korea. Students entering Korea with such visas must leave Korea, and apply for a student visa (D-2) under the name of Korea University at the Korean embassy or consulate in their home countries.

- ③ 한국의 다른 대학에서 유학비자(D-2)를 발급받은 학생의 경우, 외국인등록증 소지 여부와 관계없이 반드시 출국한 후 본국의 대한민국 영사관에서 고려대학교 소속의 신규 유학비자(D-2)를 발급받아야 합니다.

Freshmen who possess a student visa (D-2) issued from another university MUST leave Korea, and apply for a new student visa (D-2) from the Korean embassy or consulate in their home countries.

- ④ GSIS 행정실에서는 학생의 학적이 변동되는 경우(예: 휴학, 졸업, 자퇴, 제적, 해외대학 교환파견, 복수학위 등), 이를 출입국에 신고 하며 외국인등록증(D-2)은 남은 기간과 상관없이 소멸하고 학생은 변동사항 발생 15일 내 출국해야 합니다.

KU GSIS office is obligated to report the changes in student's status(e.g. leave of absence, graduation, expel, expulsion, withdrawal, dual-degree, etc.) to the immigration office. After the report, the student's ARC (D-2) will be terminated regardless of the remaining length of stay. Also, the student MUST leave Korea within 15 days from the date of change occurrence.

- ⑤ 고려대학교에서 유학하는 동안 비자 관리, 외국인등록증 연장, 각종 신고의무에 대한 기본적인 관리와 책임, 그리고 관리 소홀로 인한 모든 불이익의 결과는 학생 본인에게 있습니다.

KU GSIS is NOT in charge of maintaining VISA, extending and checking validity of ARC, or performing notification duties for individuals. Students are liable to every possible disadvantage or penalty that can be caused by improper maintenance or neglect.

## Immigration Guide for International Students Studying Abroad (Outbound)

The Global Services Center (GSC) manages visa and immigration affairs for int'l students. Following the immigration law, all international students are under the restriction of their Alien Registration Card (ARC) while studying in Korea. Hence, when applying for a study abroad (outbound) program such as ESP, VSP, or Double Degree, it becomes mandatory for the int'l student to visit GSC and receive counseling on the possible termination of ARC for participating in such program(s).

### ◆ For Student Visa (D-2) Holder

Following the immigration law, when a student with a D-2 visa makes a departure to participate in a study abroad (outbound) program (ex. ESP, VSP, Double Degree, etc.), his/her ARC will be terminated regardless of its valid period. To resume their study at Korea University after finishing the study abroad (outbound) program, he/she must apply for new D-2 visa.

◦Steps for D-2 visa application after the study abroad (outbound) program ends

Step	Process	Content	
1	Preparation for D-2 visa application	GSIS office	Application form for Certificate of Admission(CoA) will be sent to the student who finishes the program (by email) * Application for CoA opens about 2 months before the beginning of the semester at KU (Jan/Jul)
		Student	Submit the application form for a new CoA with a copy of passport to GSIS Administration Office (by email or visit)

3	Arrival in Korea		Apply for the visit to Sejongno Immigration Office within 30 days of arrival to Korea
4	Application for ARC		Apply for the re-issuance of ARC at Sejongno Immigration Office
5	Submission of ARC		Submit a copy of the re-issued ARC to GSIS office (by email)

Students holding a visa other than D-2 visa that allows them to study at KU legally will be guided as well upon their visit to GSC or GSIS Administration Office.
